WHO'S WHO?

PREVIOUSLY...

Sonic is the fastest, coolest hedgehog in the world. He's spent his whole life traveling, helping his friends, and stopping Dr. Eggman's plans to conquer everyone and everything!

Mega Man was first built as the helper robot, Rock. But when the jealous Dr. Wily unleashed his robots upon the world, Rock had himself modified for combat so he could fight to protect others!

Suffering from a string of defeats, Dr. Eggman and Dr. Wily happened across each other through the power of a Chaos Emerald.

They combined their evil geniuses to prepare the ultimate plan to not only reshape their worlds, but defeat Sonic and Mega Man once and for all...

Dear 'My Sonic Universe,'
Hey there, I'm Jeffrey, and I think you guys make the best comics.

*And the award for best opening line to an e-mail goes to.... *drum roll*... JEFFREY! For his very pleasant and enjoyable opening line!*

I have a question: In the upcoming Issue-# 247, Sonic and Team Fighters are heading to the Arctic, right?

They did! And you can read all about it in Sonic the Hedgehog issue 247, on sale now! OR in this year's Free Comic Book Day issue, coming to a comic shop near you on May 4th!

I also have another question, with the Worlds Collide story arc, does it take place in Mobius Prime, or "Another Time, Another Place?"

As you've read in this issue (and in part one available now in Mega Man™ #24 pugplugplug) you can see that the evil doctors Eggman and Wily have used the Genesis Wave to create their own pocket dimension and REWRITE the histories of

both Sonic and Mega Man's worlds! Boy, they must be geniuses, I'm lucky if I can find my car keys in the morning!

Again, you guys are all awesome and make the best comics :,) chao (ciao, like goodbye, get it?).

From Sonic's #1 fan,
Jeffrey

sent to Sonic@ArchieComics.com

Jeffrey, you go ahead and write back anytime - you're always welcome in Sonic/Mega Man™ land!

Dear 'My Sonic Universe,'
I just want to say... YOU GUYS ARE AWESOME!!!

D'AWWW! How sweet!

I am a huge Shadow fan could you make me his number 1 fan? If that's already taken, can you make me his 1.1 fan?

From this day forth, with the power of chaos, I now pronounce you Shadow's number 1.1 fan!

Okay, now I have a question about SHADOW! Will shadow be returning soon?

As you have just read, Shadow is currently a

Robotized Master! The question is -- will he and the rest of Sonic's friends be able to return to their former selves? Keep reading the Worlds Collide story to find out! If you don't want to miss a single moment of the action, be sure to subscribe to Sonic the Hedgehog, Sonic Universe, & Mega Man™ by taking advantage of the special subscription deal available in this very issue!

Thank you so much for your time and it would be awesome if you could reply :D
